AGREEMENT OF RESCISSION

The purpose of this Agreement is to rescind and cancel that certain Interlocal Agreement among the City of Kelso, Washington, the City of Longview, Washington, Cowlitz County, Washington, and the Port of Longview, Washington, and to provide for the payment of obligations that were incurred under said Interlocal Agreement, to provide for the disposition and ownership of assets that were acquired thereunder, and to restore the City of Kelso, Washington to full and complete ownership and operation of the Kelso/Longview airport.

After several months of negotiations, the parties hereto entered into an Interlocal Agreement entitled “Amended Interlocal Agreement Creating Regional Airport Authority” and thereafter successfully engaged in the joint ownership, operation and maintenance of the Kelso/Longview Airport. Much of the real property constituting the said airport was acquired over a period of several years prior to the execution of said Amended Interlocal Agreement, by the use of funds provided by the Federal Aviation Administration (FAA). The FAA requires that the owner of airport real property acquired in whole or in part, using funds provided by the FAA, be a qualified “FAA sponsor”. The entity created by the Interlocal Agreement is not a “qualified FAA sponsor” and cannot acquire such status because it neither has the power of eminent domain nor the power of taxation. Although the City of Longview, Cowlitz County and the Port of Longview could become joint owners of said airport and “qualified FAA sponsors”, the obligations and burdens imposed by the FAA on “qualified FAA sponsors” and the requirement that all such sponsors subscribe to and agree to become bound by certain FAA “Assurances” is not in the best interests of Longview, Cowlitz County or the Port of Longview. Therefore, it has been determined that the “Amended Interlocal Agreement Creating Regional Airport Authority” should be rescinded, title to all real and personal property constituting the airport should be returned to the City Kelso, and that the City of Kelso should assume all existing obligations and debts of said airport. It has also been determined that Kelso should amend the provisions of Kelso Municipal Code chapter 2.72 to provide that the “Kelso Airport Board” will include members appointed by Longview, Cowlitz County and the Port of Longview. It is anticipated that Longview, Cowlitz County and the Port of Longview will continue to contribute to the financial needs of Kelso in the operation, maintenance and capital expenses of said airport, at least until such time as the present indebtedness resulting from capital improvements to said airport has been paid.
NOW, THEREFORE, in consideration of the provisions of this Agreement and the mutual promises and agreements herein set forth, the parties hereto hereby promise and agree as follows:

1. That the "Amended Interlocal Agreement Creating Regional Airport Authority", dated on or about June 16, 1993, and executed by all of the parties hereto, any and all other Interlocal Agreements among or between the parties hereto and any and all Interlocal Agreements between the Kelso/Longview Regional Airport Authority and any or all of the parties hereto entered into between June 15, 1993 and the date hereof relating to the ownership, operation, maintenance of the Kelso/Longview Regional Airport (also known as "Molt Taylor Field") or making provision for professional services shall be, and are hereby, rescinded.
